

TOASTMASTERS INTERNATIONAL

Club 9327 District 31 Area A-3 Haverhill, MA

OUR NEXT MEETING:
January 10, 2005

Join us at 7pm at:
Haverhill
Public Library
99 Main Street

FRIENDLY PERSUASION

A new year and a great new opportunity to commit to bringing about the positive changes you are looking to make--for yourself. Join us at our next Toastmasters meeting and see how easily you can improve your communication and leadership abilities. Let us

give you information about our club, Friendly Persuasion, and the Toastmasters Program. Watch as we go through a typical Toastmasters meeting which includes members giving prepared speeches and participating in Table Topics, (our impromptu speaking exercise). You will also see how the Toastmasters evaluation and feedback process works! We are meeting this Monday, January 10th at 7pm in the Haverhill Library. Please plan to visit us. If you'd like more information, feel free to call our Vice President of Membership, Jean Leider at (978) 618-9363 or Vice President of Education, Shawn Mills at (978) 475-1301. Of course, we invite you to check out our web-site too: www.friendlypersuasion.org

We've welcomed several guests at our meetings recently. Looking forward to seeing Marie and John Novak and Greg Martin again, at a future meeting. We also are happy to welcome Bob Dunlavy as a member of Friendly Persuasion. (Bob is actually a transfer member from a Toastmasters Club in the Richmond area). Nikki LaFontaine, fiancé of member Chris O'Brien will become an official member soon, as well. We'd love to have former members return to the club. Hoping your schedules will permit you to rejoin Friendly Persuasion in 2005! In the meantime, we continue to learn and grow as individual members *and* as a group...REMEMBER we have a saying at our club: "PROCEED WITH PASSION--SPEAK WITH COURAGE"

Our January meetings are scheduled for the 10th and 24th....stay tuned for a possible additional meeting this month, too. Hope to see you this Monday night at our first meeting of 2005.

Shawn Mills VP of Education (978) 475-1301
